MOUND CITY BANK

MCB NEWS RELEASE

For Immediate Release 6/7/2021

Contact: Barb Skaife, Marketing Officer, (608)348-2685

Mound City Bank was excited to contribute \$500 to the Linden First Responders. “We all benefit from the dedication of first responders and their commitment to service above self,” said Angie Reichling, Mound City Banks Mineral Point’s Branch Manager. “It’s our honor to celebrate EMT volunteers and thank them for their contributions they’ve made to our communities.”

An AED is an Automatic External Defibrillator, which is described by the American Red Cross as a “medical device that can analyze the heart’s rhythm and, if necessary, deliver an electrical shock, or defibrillation, to help the heart re-establish an effective rhythm.” Sudden cardiac arrest is among the leading causes of death in the United States. More than 350,000 people will suffer a cardiac arrest this year. Currently the only way to restore a regular heart rhythm during cardiac arrest is to use an AED. Mound City Bank & the Linden Rescue Squad feel it is important to support the lives of their community & the surrounding areas.

The expense that comes along with purchasing an AED is roughly \$21,000.00. The Linden First Responders have been fundraising for the past year and will continue throughout the year. If you would like to send a donation: Village of Linden C/O Linden First Responders, 444 Jefferson St. Linden, WI 53553
