### **Jessica Paulson Graduates from Banking School**

Jessica Paulson received her successful completion from the WBA Personal Banker School held on May 4 & 5, 2022. Sponsored by the Wisconsin Bankers Association (WBA), the curriculum is designed to provide bankers with the skills they need to better serve the needs of their customers by increasing their product knowledge and providing exceptional customer service. The faculty is comprised of bankers who are considered authorities in their respective fields. Jessica has been at Mound City Bank for the past 6 years and is actively involved in both the Platteville and Belmont communities. “This is a unique opportunity for bankers to learn how to more completely meet the changing needs of our customers and deliver higher quality service in our community,” said Donna Hoppenjan, President and CEO of Mound City Bank.
