Todd Michek, Graduates from WBA Real Estate Compliance School

Todd Michek, AVP - Retail Lending Officer at Mound City Bank successfully completed and graduated from the WBA Real Estate Compliance School, held on April 6-8th at the Wisconsin Bankers Association Office. Sponsored by the WBA, the curriculum is designed to provide bankers with an understanding of lending and real estate related compliance regulations both on the federal and state level. The faculty is comprised of bankers who are considered authorities in their respective fields.

Todd has been in banking for 26 years and has been with Mound City Bank since 2015. Todd and his family live in Highland where he spends most of his free time on the many activities his children are involved in.

“This unique opportunity for bankers to remain educated in the ever changing regulatory environment. Education opportunities like this school help our bankers learn how to meet the changing needs of our customers and deliver higher quality service in our community” said Donna Hoppenjan, President & CEO, Mound City Bank.
