The Belmont Clock - Mound City Bank

Time has stood still for this antique Regulator #2 clock.

Our Belmont Branch has welcomed this beautiful historic clock back to Mound City Bank thanks to Arnie Mieke of Darlington. Arnie, the thoughtful owner, believed this unique gem needed to be reunited with the community of Belmont & Mound City Bank. The clock is forever captured in this photo dating as far back as 1935 when Mound City Bank once was located at 101 W. Commerce, known today as McCarville's My Turn Pub.

Thank you Arnie! We appreciate your timeless care of a part of our history.
