30 Month Step Up CD: Step Up Option: During the term of your Step Up Certificate of Deposit (CD), you are permitted to make a one-time request to adjust your interest rate at your discretion. Your request to adjust your interest rate is limited to the rate in effect for the Step Up CD at the time of your request. You must make such a request in writing on a form we will provide. When you elect to exercise the Step Up Option, the new interest rate will be paid for the remaining term of your CD. A one-time interest rate increase will not extend the original maturity date of your CD. Interest rates are not tied to an index. Interest rates are established at the discretion of Mound City Bank. Mound City Bank makes no guarantee that you will ever be able to exercise this option since we have no way of predicting future interest rates. Minimum deposit and minimum balance of \$5,000 to receive the current interest rate.

* The rate may change after the account is opened.

Unless noted all CD and IRA rates are fixed until maturity.

Limits and customer eligibility criteria apply. ICS High Yield Money Market withdrawals are limited to six per statement cycle. Although funds are placed at designation banks in amounts that do not exceed the FDIC standard maximum deposit insurance amount (SMDIA), a depositor's balances at Mound City Bank may exceed the SMDIA (e.g. before ICS settlement for a deposit or after ICS settlement for a withdrawal). As stated in the DPA, the depositor is responsible for making necessary arrangements to protect such balances consistent with applicable law. If the depositor is subject to restrictions on placement of its funds, the depositor is responsible for determining whether its use of ICS satisfies those restrictions.
