Mound City Bank Welcomes Jeremy Bittner as AVP - Retail Lending Officer

[PLATTEVILLE, WI] Mound City Bank is pleased to announce Jeremy Bittner has joined the bank as an AVP - Retail Lending Officer. Jeremy will serve homebuyers across Wisconsin with purchase, refinance, and specialty mortgage lending.
Jeremy brings more than 20 years of mortgage industry experience to Mound City Bank. He works with a full range of loan programs, including conventional, government, jumbo, WHEDA, investment loans, and cash-out refinances. He is known for fast, smooth closings and guides borrowers from application through closing with clear communication throughout the process.

"I'm excited to join Mound City Bank and help families across southwest Wisconsin make sound decisions about their home mortgage," said Bittner. "Buying a home is one of the biggest financial decisions people make, and my job is to make sure they have all the knowledge, information, and options to make a wise financial decision."

A Madison resident for the past 25 years, Bittner has lived in the area with his seventeen-year-old twins. When he's not helping clients and being a dad, you'll find him swinging the clubs at local golf courses, attending seasonal festivities, or boating on one of Madison’s lakes.
