Mound City Bank Celebrates Sarah Rogers' Completion of Premier Graduate Banking Leadership Program

Mound City Bank is proud to recognize Sarah Rogers, Branch Manager/Retail Lending Officer, for graduating from the Graduate School of Banking at the University of Wisconsin-Madison (GSB), one of the nation's premier leadership development and executive education programs for banking professionals.

By completing GSB's prestigious 25-month graduate banking program, our bank is proud to have staff that has joined a distinguished network of more than 23,000 banking leaders committed to strengthening their institutions, serving their customers, and supporting the communities they call home.

Throughout the program, participants develop the strategic perspective, financial expertise, and leadership skills needed to navigate today's rapidly evolving banking environment and help position their institutions for long-term success.

Diplomas were awarded during GSB's commencement ceremony on Thursday, August 6 in Madison, Wisconsin, including a GSB diploma and a Certificate of Executive Leadership from the Wisconsin School of Business Center for Professional and Executive Development.

As a Cuba City resident and leader of Mound City Bank's Cuba City Branch, Sarah brings her expanded banking knowledge and leadership training to serve customers, support her team, and strengthen the communities the bank proudly serves.
